REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hanahan Elementary School is home to a diverse population of approximately 900 students in kindergarten through fourth grade. An outstanding PTA, a highly successful volunteer program, and approximately 30 active business partners are testimonies to the community's firm commitment to quality education. The energy, enthusiasm, and expertise of the faculty and staff are the backbone of our school's success.

A tradition of excellence has been established at Hanahan Elementary, as evidenced by receiving the Palmetto Silver Award for 2006 and 2007, twelve school incentive awards, and two honorable mentions from the State Board of Education. HES was recognized nationally with two prestigious awards in 2007, the highly acclaimed Blue Ribbon Lighthouse Award and the SMART Showcase School. The Blue Ribbon Lighthouse Award is based on key educational elements, sustained success, and effectiveness as a high performing school. SMART Showcase recognized HES as a leader in the adoption and integration of technology. We have been honored with the Red Carpet Award, the Exemplary Writing Program Hall of Fame Award, and also the Governor's Reading Honor Roll Award. Our school was named a finalist for the Palmetto's Finest Award in 2001, 2003, and again in 2004. The music department received a State Department of Education Distinguished Arts Program grant to introduce keyboard skills to third and fourth grade students. Fourteen teachers have received National Board Certification and two more teachers are actively pursuing this prestigious certification.

Our teachers combine traditional educational approaches with current research and innovative programs to provide a well-rounded education. Our School-wide reading program allows students and teachers to create individual reading goals determined by the student's independent reading level. The EAGLE (gifted and talented) curriculum challenges students in grades three and four. Junior Achievement and Kids Who Care are used to enrich the curriculum. Tools for Citizenship and Life, a character education program, has been implemented school-wide to emphasize valuable life skills. All students are exposed to the arts through the MOSAIC program (using arts to fight racism). At-risk students receive small group instruction in the areas of language arts through after-school tutorials taught by certified teachers. A Spanish interpreter assists in the classroom with our growing Spanish population. A Curriculum Specialist provides curriculum support to the faculty, as well as assisting with the school wide technology plan, which includes SMART Board technology in every classroom, two fully equipped computer labs, and a minimum of three networked computers in each classroom.

Hanahan Elementary School exemplifies quality education in South Carolina. As we face the challenges of the twenty-first century, we strive to educate each student to his maximum potential in an active learning environment supported by community involvement.
